

# Frozen Waterfall

For Trio

*Angela Elizabeth Slater*

PERUSAL SCORE

***Frozen Waterfall for trio (flute, violin, and cello) (2015)***

*Frozen Waterfall (2015) was written at CoMA summer school composition course. This piece explores the idea of water gradually freezing and the energy of its movement changing to still crystallised ice structures. Each instrument has its own material that gradually freeze at different rates, finally solidifying at the close of the work.*
